OHC Fax And Paper Forms To Be Eliminated

The California Department of Health Care Services (DHCS) is no longer accepting fax or paper forms to update commercial insurance coverage information including adding or removing an insurer for Medi-Cal beneficiaries. Instead of faxing paper forms, providers should report Other Health Coverage (OHC) information changes using a secure online form on the DHCS website.

Please use the following link to access OHC Processing Center Forms to make changes to OHC on beneficiaries' insurance information:

http://www.dhcs.ca.gov/services/Pages/TPLRD_OCU_cont.aspx.

As more information becomes available RMD will keep you informed.

We're here to help you...
